OUR VISITORS

Today we welcome for the first time ever to Springfield Park, Aldershot.

Aldershot are a comparatively new club in comparison to many other League sides. The club was formed in 1927. The first manager was the well-known Angus Seed, who later went to Barnsley, and it was largely due to him that the steps taken by local enthusiasts were implemented.

He moulded the first players into a team, and launched them with success as a club in membership with the Southern League, where it performed with credit in its first season and attracted public attention by reaching the 2nd Round in the F.A. Cup competition after playing right through from the extra preliminary round.

The next five years saw the club as runners-up, then as champions of the Southern League.

In 1932-33 Aldershot was accepted into the Third Division (South) of the Football League; and again its start was meteoric, because in its first season in the League it reached the last sixteen in the F.A. Cup.

During the war years, when its manager was the famous W. McCracken, the old Irish International back of Newcastle fame, the club provided good football for many guest players who were stationed at Aldershot and its spectators saw a succession of famous stars assist the club.

Aldershot is primarily a town of and for soldiers. Their ground, known as the Recreation Ground, is ideally situated, and has a capacity of 25,000.

At present they hold quite a high position in the League and it is expected that today's game will provide first class entertainment for what we hope will be a good 'gate'.

FROM THE MANAGERS DESK

Today we welcome Aldershot to Springfield Park. Managed by Tom McAnearney, the ex-Sheffield Wednesday star, they have been knocking at the Third Division door for a few years and this year is no exception. If we are to do anything this season, we have to beat sides of the calibre of Aldershot.

SEASON SO FAR

Today is an appropriate time to look back on the season so far. At time of going to press we have taken 22 points from 20 games. After our bad start of one point from five games it has got to be said that the players have done exceptionally well and as long as we can continue our improvement, then our year of con-

solidation will have been a success.

However, we are only half way through and 100% effort will still be needed. If we are lucky enough to stay in the promotion race, then I am sure our excellent supporters will back us to the hilt. This has also been a testing year for our fans and they have come through with flying colours, both in quantity and the quality of their vocal support.

I, on behalf of the players and staff would like to thank each and every one of you, and trust you will continue to back us all the way, and we will try our utmost not to let you down.

Enjoy today's match.

I. McNEILL.

FACTS

Aldershot and Wigan have something in common inasmuch as the first manager for each club was a famous Newcastle Utd. player who gained a F.A. Cup Final medal with the famous North East club.

In 1909-10 McCracken was in the team that beat Barnsley. He was eventually Aldershot's manager in 1932.

In 1923-24 Spencer was in the team that beat Aston Villa. He was, as all know, Wigan's first manager in 1932.

Charlie Spencer who served in the first World War spent some of his war service at Aldershot.

Doncaster Rovers have recently appointed Billy Bremner as manager. This will certainly be a good appointment if this dynamic little Scot proves to be as good a manager as he was a player.

Three of the Leeds cup winning team of 1971-72 are now managers: Bremner at Doncaster, Jack Charlton at Sheffield Wed., and Allan Clarke at Barnsley, Paul Reaney is a player-coach at Bradford City.

Three of the England World Cup winning team of 1966 are still playing in competitive football: Gordon Banks in America, Martin Peters at Norwich and Alan Ball at Southampton.

CHAIRMAN'S MESSAGE

Today is our last game in 1978—a year which will go down in history as Wigan Athletic's greatest. Since New Year's Day so many wonderful things have happened. As a non-league club the year started with our visit to Birmingham in the 3rd round of the F.A. Cup. Although we lost the game — our performance gained us many friends in the football world, even the Birmingham Chief of Police praised the conduct of our spectators.

As the year went by we had, by the end of the season, gained sufficient league points to qualify us as candidates for election to the Football League. On 2nd June, we attended the Annual General Meeting of the Football League more hopeful than confident of being elected, but to our great excitement we made it after a

tie with Southport on the first vote. I shall never forget the welcome we received on our return to the ground that same evening—Wigan was wild with excitement.

The following week, however, we had to get down to some serious thinking and we were very much surprised at the amount of work that had to be put in before the kick-off. Everybody rallied round — and the number of volunteers to come forward was amazing.

Now at the year's end we are in a great position in the league and the amount of work completed to make Springfield Park a Football League ground has surprised even us.

May I, therefore, on behalf of the Board, thank all concerned, manager, players, staff, supporters club members and supporters for all that has happened during this exciting year and we sincerely hope 1979 brings as much success to you all as we have experienced this year.

We thank all the clubs we have visited for their wonderful hospitality for we have been made to feel at home at every ground.

May I personally welcome the chairman and directors of Aldershot Football Club today for their first Football League game against Wigan Athletic. I hope they will enjoy today's game and accept our hospitality whatever the result.

A Happy New Year to you all.

ARTHUR HORROCKS.

OPINION

by Harold Ashurst

The injury to John Brown at Darlington two weeks ago gave manager Ian McNeill a number of problems. It has been a well-known fact that he has been on the lookout for a goalkeeper since the start of the season, as cover for John, but his efforts have met with no success.

Attempts to sign experienced goalkeepers such as Everton's David Lawson proved fruitless and Lawson went to Luton, preferring Second Division football to Fourth.

Another factor preventing a signing has been the money. The ever increasing transfer spiral means that clubs want hefty fees for players, many of whom are second-teamers. Mr. McNeill is understandably loath to pay out a lot when the player is no better than the one he has got already.

However, canny Scot that he is, the manager decided to try and get

a goalkeeper on loan and after two wasted efforts managed to acquire Mark Grew, the highly-rated reserve team goalkeeper from First Division West Brom.

When they knew Grew was available, Latics officials dashed to the midlands in a bid to get him in time for the match at Halifax.

It was a close thing. Mr. McNeill, secretary Derek Welsby and director G. Gorner were in West Bromwich at 3.0 p.m. on the Thursday before the match. A dash up the motorway saw them reach the League's headquarters at Lytham with just three minutes to spare.

One man who will be delighted with Grew's signing is centre-half Noel Ward. Although more than competent between the sticks, he told me some time ago that he was not all that keen on playing in goal.
